

Scholarship Opportunities

Fort Scott Community College offers over 300 endowment and institutional scholarships. Many of these opportunities are available simply for being a graduating high school senior. Students may apply between February 1st and May 1st. Applications received after May 1st will still be considered, however, cannot be guaranteed.

After applying to FSCC, and receiving your FSCC email address and password, apply for scholarships by visiting **fortscott.academicworks.com**. You *must* apply using your FSCC email address. You will also create a unique password for your Academic Works account.

After you sign up for an account:

1. Open your FSCC email and click the confirmation message sent from **joshb@fortscott.edu** and then click the confirmation link inside. This should send you to the main application.
2. Fill out the application. This single form will automatically match you to the various scholarships in which you are eligible.
3. Within 2 to 4 weeks after successfully completing the application, you will receive an email from FSCC stating you have a pending opportunity. You *must* open this email and click the "accept" button in order to confirm your award.

If you have questions or problems, please contact Josh Budd in the Admissions Office at any of the following:
