WeMET 2016-2017 Course Schedule

Attached is the course schedule for the 2016-2017 school year. Please note that there are three sections: dual credit, online, and high school credit *only*. Beneath the class name is a line indicating the originating site, the semester and the time the class is to be offered. Days of the classes are abbreviated with ED standing for every day and EOD meaning every other day, days of the week are abbreviated as MWF for Monday, Wednesday and Friday, etc... The following information may be helpful as you work in enrolling students in classes:

Enrollments:

To enroll a student in a dual credit class you must go through the dual credit office. Enrollment forms and instructions can be found at <http://www.ucmo.edu/wemet/forms.cfm>. If you have any questions, please contact scruz@ucmo.edu. telephone 660-543-8718. or bnjones@ucmo.edu. telephone 660-543-8394

To enroll a student in a high school credit *only* class contact the host school. The WeMET office also needs to be notified. 660-543-8394 (bnjones@ucmo.edu)

Resource Material:

If consumable supplies are required for the class it will be the responsibility of the student and/or home school district to provide these materials. If a student is enrolled in a high school only credit class it will be the school districts responsibility to provide all necessary books and materials.

Attendance:

Students enrolled in classes are expected to follow the calendar/schedule of the site broadcasting the class. Even though the home school district may not be in session on a particular day if the broadcast site is in session students will be expected to attend. Make up sessions will **not** be scheduled unless inclement weather forces the closing of schools.

Connecting for Classes:

Districts are expected to designate a person to connect equipment for classes. It is expected that the connection will occur fifteen minutes prior to the start of class so if any problems occur they can be solved before the beginning of class.

Calendar:

The session dates for UCM are:

Summer 2016: starts May 16 (classes vary according to instructor probably end by July 3)

Fall 2016: August 15 – December 9

Spring 2017: January 09 – May 05

WeMET 2016-2017 Course Schedule
